

WEEK 10

WEDNESDAY, OCTOBER 29

1. What's up?
2. Speeches REMAINDER
3. How'd the real thing go?
4. Speech 4—Unpack and ask questions  
Gather, discuss, be ready to share your potential path

**Assignment:**

**JOURNAL: Reflection as a Whole:** Now that you've finished the project, what can you say about your engagement, process, discoveries, struggles, and successes along the way?

2. **IF YOUR DELIVERED TODAY:** *CAREFULLY* look over the Eval Sheet/Rubric for Speech 3 and send me the URL to your completed Speech 3 page BEFORE next class. LATE submissions will not earn full credit.

3. For next time, here is where you need to be in order to stay up-to-date:

→Begin investigating your major:

- How many credits do you need for your major (not to graduate)?
- What does the program entail, in general terms?
- What is the most interesting part of this major to you?
- What challenges do you see ahead?
- What career path are you aiming for?
- Have you considered any minors— which ones or why not?

Be ready for your group to report out next time. Respond as **JOURNAL # 14.**
