

Prompt #6: Free Verse with a Rhyming Scheme: AABBBCCAABBBCCAABB

To the mountains I go,
No one will know
When I'll be back,
I'm sure glad I packed
With water and snacks.

The day is early,
I'm filled with glee
My car sets tempo
I say "Let's Go"
Redbull in hand
As my favorite band,
Conducts my morning plans

And when I arrive
I start to jive,
For I have found
Peace in the pined,
Ascending clears my view
Finally, I'm no longer blue
