

## Customer Testimony

“It saved me a lot of time and trouble. Now I can focus on other things, without the stress of laundry.”

“Before I had an iLaundry, I was constantly running out of clean clothes because I'd forget to do laundry between classes, labs, and study groups. Now, I just toss my clothes in and iLaundry takes care of the rest. Total game-changer.”

**Jimmy Hulland**

*UNE Sokokis Resident*

“iLaundry had done more laundry for me than I've done for myself in four years. It once beat me to the laundry room and got the last available machine. My own robot out hustled me! At least I'll have clean socks for graduation.”

**The robot that does your pesky laundry for you!**

Don't worry,  
iGot it.

## What is iLaundry?

Ever wondered how easy it would be to have someone, or something else do your laundry for you? With this mechanical robot, you never have to worry about your laundry again. It will take over this exhausting chore for you!

The built in raising base allows for easy transport from basket to machine, and built in “arms” for post laundry removal.

This 2 by 3 foot hamper on wheels picks up your laundry, brings it to the nearest washing machine, and the rest is history.

## Getting Started

Simply download the app, create an account through your organization, & then choose your designated location to find your spreadsheet. Pick from any time, or day of the week.

\$350 available, included in tuition, featured in the following UNE dorms: East Hall, West Hall, Sokokis Hall, Champlain Hall.

This service, offered by App, allows for scheduled pick up of laundry at designated locations.

## Why this Product?

By buying this product, it will help you create an efficient lifestyle as well as taking the weight off your shoulders! This product is guaranteed to have a high satisfaction rate.

Using iLaundry can be beneficial to your mental health regarding having so much on your plate that you are overwhelmed to the point you don't want to do anything. This product would allow more productivity since it's already taking care of one of your main chores.

## Our Mission

At iLaundry, we are dedicated to giving you your time back, while also providing efficiency and convenience to your lifestyle.

- Providing relevant and effective technology solutions.
- Ensuring the security and protection of customer data.
- Providing services with the best quality and competitive prices.
