Teaching and Fieldwork Experience

Instructional intern/Classroom teacher, Biddeford Primary School, Biddeford, ME August 2020 – June 2021

- Acted as lead teacher and served 18 students across multiple first grade classrooms.
- Implemented trauma-responsive practices to support students' social/emotional growth.
- Exercised classroom management techniques to foster a positive learning environment conducive to all learners.
- Studied, developed, differentiated, implemented, and reflected on standards-based curriculum for reading workshop, writing workshop, and math instruction.
- Utilized formative and summative assessment data to inform and differentiate instruction.
- Collaborated with grade level team members to provide quality, personalized learning experiences to students for both in-person and remote instruction.

Substitute Teacher, Scarborough Public Schools, Scarborough, ME March 2019 – March 2020

- Supported continuation of student learning by facilitating learning activities assigned by the classroom teacher.
- Implemented positive supports to manage behavior and maintain classroom rules, routines, and procedures.
- Collaborated with in-service teachers and acted with professionalism.

Tutor, ARAC Tutoring Program, Biddeford and Scarborough, ME October 2017 – March 2020

- Supported first and second grade students in developing literacy and math skills through small group and 1:1 instruction.
- Assisted in functional life skills classrooms, delivering instruction to students with various learning and developmental disabilities.
- Demonstrated dependability with students and flexibility with teachers to assist with classroom needs.
- Helped students build confidence in their capabilities as learners.
