Newspapers include images of teams in uniform, athletic competition results, and schedules. Also included is a program from the performance of Alice and Wonderland which featured members of the girl's glee club.</p>	<p>Box 2</p> <p>Purpose of this is to describe the items that researchers could find within the scrapbook. This is to help make the research process efficient and prevent unnecessary handling of objects since it is so fragile. This description includes a brief description of the scrapbook which is useful for researchers who might be looking for scrapbooks belonging to specific times</p> <p>I feel like I could have gone into more detail, possibly indexing specific names and dates to help narrow down the search.</p> <p>Another weakness is that it is very limited and does not do a fair job showcasing the amount and variety of the items.</p>
<p>Dorothy Lowd, 1911-1916</p> <p><u>ID</u>: 901.003</p> <p><u>ID [aspace_uri]</u>: /repositories/4/archival_objects/2143</p> <p><u>Language of the Material</u>: English</p> <p>Scope and Contents</p> <p>This scrapbook consists of newspaper clippings and ephemera. Newspaper clipping primarily consists of Westbrook sports teams and athletic competitions, containing images, rosters, and schedules of the teams. Also included are clippings discussing events and changes in faculty at Westbrook Seminary,</p>	

ephemera from student events and academics such as programs, decorations, dance cards, absence slips, and schedules.
