

WEEK 11

TUESDAY, NOVEMBER 4

1. Looking at profile samples
2. Practicing interview techniques:

- Assign partners.
- Spread out around the room—get away from others as much as possible.
- Set a 10-minute timer.
- Ask your partner about the one thing they are most PROUD of. It could be something at home, it could be something at school, it could be something athletic—it doesn't matter.
- Once they've answered, keep asking questions about their response until the timer goes off. *Why* are they proud? *How* did they achieve this?
- When the timer goes off, reset and switch.
- Let's unpack how it went.
