

WEEK 9

TUESDAY, OCTOBER 21

1. SYSTEM CHECK (Phone put away/HW posted/water all set/bathroom all set, all systems ready to go!)
2. How was your weekend?
3. Weekly reflection playback/Brochure reflection
4. AI—thoughts.

Answer in groups (5); scribe and report out:

- What comes to mind initially when the term “AI” comes up
- How do you feel about it—is it scary, exciting, or both and why?
- How are you using it?/How are you seeing others use it?
- What do you imagine AI can help you with toward your career and what do you think are its limits?

5. Discussion

ASSIGNMENT:

JOURNAL # 20: How would you feel about your professors using AI to evaluate your work? Do you have any concerns? If so, why? If not, why? Be specific.

FRIDAY, OCTOBER 24

1. SYSTEM CHECK (Phone put away/HW posted/water all set/bathroom all set, all systems ready to go!)
2. What are you looking forward to this weekend?

3. **JOURNAL # 20** playback

4. In-Class Writing Prompt # 5

ASSIGNMENT:

1. **JOURNAL # 21: WEEK 9 Reflection**– How was Week 9 as a college student? How do the classes seem? What's it like in the residence halls? What are you most looking forward to this term? Do you have concerns or anxieties about the semester at this point? Do you have any accomplishments your proud of at this point in the semester?

(Time on task: 15-20 min)

2. Type up In-class Writing Prompt # 5 and come with the doc (Word or Google) so we can share them in class next time.
